

**Effective April 24 – May 9, 2021**

**RHA Protective Response Measures to Stop Further Risk of Transmission of the Covid-19 Variant of Concern at RHA Broadway and RHA Broadmoor Facilities**

April 22, 2021

Dear Membership/Staff/Individuals/Family/Guardians,

**RE: Temporary Day Program service suspension at RHA Broadway and RHA Broadmoor facilities**

RHA Leadership and Program Managers responsible for Day Programs based from the Broadway and Broadmoor locations, have been consulting directly with our Public Health Inspector and AHS/CDC. The recent Covid-19 positive cases including the Variant of Concern linked to individuals and staff at these facilities has forced us to implement significant measures in an effort to stop further spreading. As a result we have made the difficult decision to suspend all Day Program services temporarily at these locations.

**Starting Saturday April 24, 2021 to Sunday May 9, 2021 these facilities will be shut down to program staff and individuals.** This time frame will ensure that any persons potentially being exposed has run its incubation course over a 14 day period. We are optimistic that upon Day Programs reopening, which is anticipated for all healthy staff and individuals, will be Monday May 10, 2021.

This action is specific only in these facilities. Any other cases or outbreaks in the organization will result in further protective measures for other programs, as appropriate, otherwise at this time, other services and programs are not affected.

RHA will be reminding all staff, individuals and families to be extra vigilant and **pay close attention to your health indicators and isolate immediately if symptoms of COVID-19 present themselves.** Your efforts and diligence to existing protocols along with enhanced processes are crucial to protect everyone in service, our staff and families.

Thank you for your continued patience and understanding.

Stay safe,

**Ann Marie LePan**

Chief Executive Officer
